

An initiative by:

JOB SECURITY COUNCIL

Changes in market climate may result in business strategies being adjusted. Sometimes in growth and recruitment; while others in loss and manpower cutbacks.

NTUC's Job Security Council (JSC) is formed to offer end-to-end support for companies and workers to experience a smooth transition and to achieve skilled talent optimization.

COMPANIES

Receiving

Releasing

Access to:

Relevant talent pool;

Available HR solutions, ie. staff coaching and training; &

Learning opportunities in trending HR topics, good practices, support schemes (i.e PCP) and industry transformation plans
